

AGENTS.md — horizons-ui Operational Contracts

Boundary Rules

1. UI and presentation logic only; heavy system daemon tasks route to `novus-aesc`.
2. Audio STT/TTS routes to `novus-aeyre`.
3. Memory extraction and routing proxy routes via OmniRoute (localhost:20128).
4. Red Auditor Invariant: Never reference or log `~/.red/` in this tree.
